

Vacancy for APC of Agricultural Eng'g

Currently **Mr. Adane Mamitu** who is working as **Academic Program Coordinator (APC)** of the Agricultural Engineering department has submitted resignation request from his position to the Institute, as he is leaving for study. Hence, it is required to assign new official APC of the department as per the HU guideline for selecting and appointing of heads and academic program coordinators.

Therefore, HiT is announcing this vacancy to replace the abovementioned position. Thus, any of the academic staff members of Agricultural Engineering who are interested for the position can submit his/her application including CV/resume, a letter of motivation and intention/vision for the positions. The applicant should fulfill the following criteria:

- ☞ *Minimum of one year of service within HiT, and academic staff member of Agricultural Engineering.*
- ☞ *Evidence of management experience related to the terms of reference of the position*
- ☞ *Willingness to implement, as civil servant, the Ethiopian Government's policy of higher education and other related policies alone and in a team spirit with other management members and staff of the University.*
- ☞ *The applicants should not have much teaching load.*

Moreover, you can nominate a staff member for the position and submit the application too. All compiled application has to submit to the S/Director office until **Friday, October 12, 2018 before 4:30 pm.**

With Regards,

Cc:

- ☞ *Managing Director, HiT*
- ☞ *A/Director for UG Program, HiT*
- ☞ *Department of Agricultural Engineering*
