## **Vacancy Announcement for CEP Coordinator of Civil Engineering Department**

It's recalled that **Mr. Mekuanint Getnet**, who had served as the CEP coordinator of Civil Engineering was left for study, and the position is vacant. Therefore, HiT is announcing this vacancy to fill this vacant position. Thus, any of the staff members of Civil Engineering department, who are interested for the position, can submit your application including CV/resume, a letter of motivation and intention/vision for the position. The applicant should fulfill the following criteria:

- *Minimum of one year of service within HiT, and staff member of Civil Engineering.*
- *Evidence of management experience related to the terms of reference of the position*
- *Willingness to implement, as civil servant, the Ethiopian Government's policy of higher education and other related policies alone and in a team spirit with other management members and staff of the University.*

Moreover, you can nominate an eligible staff member of Civil Engineering for the position and submit the application too. All compiled application has to submit to the S/Director office **until Friday, October 05, 2018 before 4:30 pm.**

**NB:** *This vacancy was announced twice on **June 18 and 27, 2018**, and only one staff was applied for the position within the given deadlines. However, the appointment of the applicant was pended for some inconveniences happened, and even though the issue is resolved at AC level now, it's known that the applicant is leaving for study. This is, therefore, to give a third chance for interested staffs of the Civil Engineering department, and in case if no one apply for the position this time, the Scientific Director office in consultation with the HiT Management Team and head of the concerned department is responsible to directly appoint any eligible academic staff from the department.*

Regards,

CC:

- ☞ *Managing Director, HiT*
- ☞ *Associate Director for Undergraduate Program, HiT*
- ☞ *Department of Civil Engineering*
- ☞ *Office of Continuing Education Program (CEP)*
